"Poem," by Frank O'Hara

Lana Turner has collapsed!  
I was trotting along and suddenly  
it started raining and snowing  
and you said it was hailing  
but hailing hits you on the head  
hard so it was really snowing and  
raining and I was in such a hurry  
to meet you but the traffic  
was acting exactly like the sky  
and suddenly I see a headline  
LANA TURNER HAS COLLAPSED!  
there is no snow in Hollywood  
there is no rain in California  
I have been to lots of parties  
and acted perfectly disgraceful  
but I never actually collapsed  
oh Lana Turner we love you get up
